August 31, 2019

To whom it may concern:

The undersigned and/or any Director or Officer proposed for this insurance are not aware of any fact, circumstance or situation involving the Company or its Subsidiaries or the Directors or Officers of the Company or its Subsidiaries which he or she has reason to believe might result in any future Claim under the Policy to which this Warranty Letter will be attached.

IT IS AGREED THAT IF KNOWLEDGE OF ANY SUCH FACT, CIRCUMSTANCE OR SITUATION EXISTS, ANY CLAIM SUBSEQUENTLY ARISING THEREFROM SHALL BE EXCLUDED FROM COVERAGE.

It is agreed by the Company and the Directors and Officers that the particulars and statements contained in this Warranty Letter, the Proposal Form and any information provided therewith (which shall be on file with the Insurer and be deemed attached to this Policy as if physically attached thereto) are the basis of this Policy and are to be considered as incorporated in and constituting a part of this Policy. It is further understood and agreed by the Company and the Directors and Officers that the statements in this Warranty Letter, the Proposal Form and any information provided therewith are their representations, that they are material and that this Policy is issued in reliance upon the truth of such representations; provided, however, that except for material facts or circumstances known to the person who subscribed this Warranty Letter or the Proposal Form, any misstatement or omission in this Warranty Letter, the Proposal Form or information provided therewith in respect of a specific Wrongful Act by a particular Director or Officer or his or her cognizance of any matter which he or she has reason to believe might afford grounds for a future Claim against him or her shall not be imputed to any other Director or Officer for purposes of determining the validity of this Policy as to such other Director or Officer.
