5. IJRU Update - Carly/Jodi

Andrej put out an email to countries who demonstrated interest in a call to discuss the package costs for scoring/registration rather than per athlete per event.

Technical congress will be in May.

6. RSC Challenge - Sam A.

Certificates coming soon - Sam A

Try to make an annual fall challenge - maybe athlete council to come up with ideas

7. CANSkip Update - Sam A.

Need videos to come before launch. These can be filmed at nationals.

8. Competition Committee Interest - PSO's

Some interest from many provinces. This will get up and running by Carly soon.

9. Awards Committee/Committee Interest

Wants an odd number of members so you can have a tie breaker - Mary will be the board liaison.

Applications due April 15th

NTC - Dwight and Carolyn on board for NS hosting year

10. Nationals 2022 -

Registration is due Friday April 15th

NTC is meeting on the 19th

They will determine how many stations to run based on registration numbers. Maybe 6 rather than 8, or 8 for short events like 30 sec and 6 for 3 min.

Music - concerns that coaches wouldn't have mp3's ready. The person who played the music in Ontario with experience will be doing the music.

AGM all reports due April 18th.

Board meeting on the Friday at 10am

Nationals website for practices and judges schedule

Make it clear that we are asking everyone to wear masks at all times except for jumping.

11. Athlete Council Update - Sam F.

- How ties will be awarded if there is a tie for first, is there still a second place?
- Provincials so far have run fairly well RSA and ORSO. Time between events at RSA was a complaint, ORSO complaint was a covid outbreak.
- Masks are highly encouraged by the athlete council for nationals

Survey to go out before nationals about athlete retention

Kerry has the opening ceremonies agenda

12. Coast to Coast

British Columbia - Cathy - not a whole lot to update on. Mandates for covid have been lifted. Provincials are April 23-24 some teams doing demos in school in full capacity. Judges are getting ready for provincials.

Alberta - Jodi - Had provincials, it went very smoothly. There were 2 full freestyle panels during provincials and had a few athletes judging freestyle and Jodi judged during the senior events.

Ontario - Sam F. - Had provincials, went really well and a couple athletes judged. Overall judging has improved from the past.

Nova Scotia - Sam A. - Planning for provincials on the 23-24. Expecting more attendance for the rec event than the competitive event. Beginning to prepare for nationals 2023, looking for a venue.
