 - **4.1. Improvement Plan** Haven't had an opportunity to discuss yet.

 - 5.1. Qualifier Judge Payments

All payments have been made and there have been no issues.

5.2. Team Canada Uniforms

All uniforms have been sent and most have arrived waiting on a few teams to confirm arrival. Low numbers of issues so far. We have told all teams that if they

are uncomfortable with the shorts they can wear any black shorts as long as they all look the same from the judges table.

There are extras if anyone has any issues. Shannon has extras of almost everything in most sizes.

The company was really great to deal with. They gave lots of extra pieces to help with issues.

5.3. Appeals

Tokens get 3 appeals. We may be required to pay \$50 USD for a failed appeal. Beyond the 3 tokens. If appeals are needed and fail RSC will pay the fee.

9. Financial Update

National expenses are in the process of coming out, the IJRU payment will also come out soon so we will see a big difference in our balance on the next statement.

A new club payment came in, some IJRU payments came to RSC instead of the Team Canada bank account so we will see a slightly different number coming in from that account than we pay out to IJRU.

Next month's report will be more meaningful as it will better reflect the current balance.

10. Insurance

No renewal document has been received from our current insurance company yet. Sam A. will follow up and see what the timeline is for a renewal. After Shannon discussed with her contacts it has been recommended that we stay with our current insurance company because it would be very difficult to start again with another company.

Question we brought to the insurance company - Does our insurance cover skipping activities outside of Canada. The broker is working with the insurance company to see if international travel/skipping internationally is going to be covered.

11. Committee Updates

11.1. Athlete Council - Sam F

Haven't had a meeting since the last RSC meeting and will probably wait to start again until the new term. PSO reps are discussing their athlete council reps with PSO boards. We will be updating the TOR to have more detailed tasks. 2 reps per province ideally 1 female, 1 male.

11.2. Competition Committee - Carly

11.3. Coaching Committee - Shannon

Haven't had a meeting lately. Shannon and Alyssa have been working on the manuals. They hope to have a draft by the end of the summer.

No tasks until the new season - no update

11.5. Awards Committee - Mary

Just waiting on documents from the scholarship recipient. Next season they want to start earlier.

12. Coast to Coast

British Columbia - Cathy

Teams are training for worlds. Many clubs hold rec programs and summer camps. As well as doing festivals and parades in their communities.

Alberta - Jodi

Clubs attending worlds are training and looking forward to attending. A few teams did demos at the Calgary stampede. Other clubs will be doing summer shows and workshops.

Ontario - Sam F.

Summer demos and rec programs are starting. Teams getting ready for worlds.

Nova Scotia - Sam A.

Final practice for the world's athletes is tomorrow. Our year end show was mid June and all non-worlds athletes were finished for the season after that.
