RSC INTERNATIONAL OPEN COMPETITION POLICY

As a member of the International Jump Rope Union (IJRU), Rope Skipping Canada (RSC) is permitted to send athletes to represent Canada at International Open Competitions.

RSC will accept applications to attend International Open competitions from RSC athletes who meet the following criteria:

- Must be a registered full member In Good Standing of RSC on the date that registration is due and on the date of the competition
- Must have competed in the preceding RSC National Championships
- Submit their application/intent to attend by the submission deadline

RSC will use the following selection criteria, when selecting athletes to attend International Open Competitions:

1. Fill all allocated spots based on placement at the preceding National Championships from those athletes who submitted applications to attend
 - a. If the number of athletes applying to attend exceed the number of spots allocated, athletes will be selected based on their placement at Nationals, with priority being given to those with higher overall placements
 - b. If the number of athletes applying to attend exceed the number of spots allocated, athletes will be selected based on their placement at Nationals, with secondary priority being given to those with higher individual event placements

Applications to attend International Open Competitions should be submitted to info@ropeskippingcanada.com for consideration by the deadline posted on the application form.
